

## HURRY-UP PUMP MAST

### Quick deploy, portable pneumatic mast for communications, video and surveillance

The Hurry-Up Pump Mast by Will-Burt is a portable pneumatic mast that includes a carry bag and is easily transported and deployed by a single person. Available in heights up to 39 ft. / 12 meters with payload capability up to 55 lbs. / 25 kg this lightweight and compact telescoping mast is perfect for deploying antennas, cameras and other sensors.

The Hurry-Up Pump Mast is highly flexible and versatile. Compatible with certain AntennaMast AM2 top accessories. Additional accessories available for deployment in diverse environments. A tripod with built-in level and four large base plates provide a secure foundation for securing the mast. A compact Drive-On Stand allows for the weight of a vehicle to be used to provide stable support for the mast. A 2" trailer Hitch-Mount provides a third mounting option for the mast. The mounting accessories are designed so they can be integrated with one another. The tripod does not need to be removed to be used with the Drive-On Stand or the Hitch-Mount.

The Hurry-Up Pump Mast delivers fast deployment, portability, flexibility, value, and robust performance.
